

Russell School in the 1950s

Over the past few years [Bill bill@fischer-balcke.de](mailto:bill@fischer-balcke.de) Forster has borrowed photographs from O.R.s of life at Ballards in the 50s which he has then scanned and added to a slide show published on DVD in June 2011.

The DVD combines a digital archive of all the photographs (with captions and credits) plus a slide show of the more interesting photographs.

Bill would like to thank the following contributors: Barry Robinson, Brian Fraser, Bernard Spolsky, Bll Forster, Colin Barrable, Chris Gough, David Pethen, David Wilkinson, Francis MacMahon, Keith Angel, Michael Ryan, Patrick Bygate, Richard Dadson, Richard Payne, Roger Ballaster, Roger Simmonds, Steve Woods, Stuart Adams, Tony Dear, Tony Ford, Andrew Foot and Royal Russell School.
