**Summer Term**

**26th June 2020**

Dear Parents,

It has been wonderful to welcome more pupils back onto site this week and Years 2 and 3 have brought the weather with them. We have been fortunate to be able to use the outdoor, shadier areas throughout the soaring temperatures. The BBQ and ice cream on Wednesday were a welcome treat, and a good way for the school to feel 'together' albeit at a distance. We have appreciated all of your support in giving these year groups an exciting return to site.

Next week we look forward to welcoming back Years 4 and 5 from Monday 29<sup>th</sup> through to Wednesday 1<sup>st</sup> July. For those families returning then, please read the guidance that has been sent through to you as there are significant changes to the normal running of the school day, including pick up and drop off times.

For Years 6, 1, Reception and Nursery, the Summer term finishes on Thursday 2<sup>nd</sup> July. Pick up is as per the arrangements that have been in place over the last few weeks.

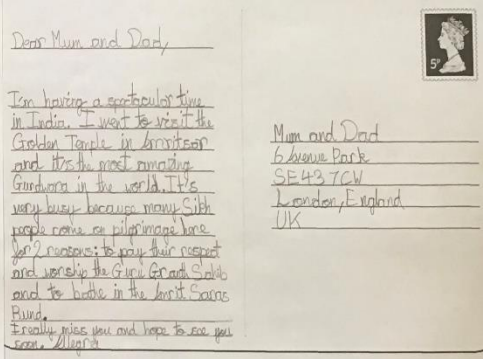

Usually, the end of term is a time for gathering together, wishing each other well and saying farewell to friends and members of staff. Much as we would wish to enjoy this with you, the measures implemented for our safety on site remain in effect. Please ensure that your children remain with you once they have been collected from their pods. Please respect social distancing rules that remain at 2 metres whilst on site. We ask that you make your way from site once you have collected your children so that crossover between groups of children does not take place.

Although we are not celebrating on site, I am delighted to remind you about our virtual Royal Russell Day event which takes place on Saturday 27<sup>th</sup> June. Look out for the link, which will be sent to you shortly. I hope that you enjoy watching all of the announcements and sharing in our celebration of a most extraordinary year.

I am also delighted to share the news that Mrs Smith, and her husband, are expecting twins. I am sure that you will join me in wishing them both well. I look forward to sharing news of Mrs Smith's maternity cover with you once our recruitment is complete.

With my best wishes for a lovely weekend,  
John Evans

The biggest mountain in the solar system is on Mars and it is called 'Olympus Mons'.

Proxima B is the planet that us humans want to go to. But now we are starting to think we can't.

The biggest star now to humans is called 'UY Scuti' and it 617 million km across.

Space  
By T.Meadows and Milo Wilson "We love space".

The moon is 384 thousand 400km away and the age of the moon is 4.53 billion years old.

There are new Mars space suits. Ready to go for Mars they are smaller and more agile and the air tanks are smaller but have more O2.

Proxima B is the closest planet from the Earth and possibly habitable.

Fun Fact!

Water isn't actually blue

Ice is created when water gets cold enough and the water freezes

Water is created when either water vapour cools down enough and become rain or when ice melts in heat.

Water vapour is created when water evaporates from heating up.

# Year 6 VE Day Talk

In year 6, we were lucky enough to have had a special video from Mrs Willis' Dad who was a pilot in the Second World War.

He answered our questions about VE Day, talking about the different planes he flew, his medals and even about sausages made from wood shavings!

1. Did you know that you were going to win the war at the time?
2. What did you think about everything still happening in Japan?
3. How old were you when VE Day happened?
4. How long did the celebrations last? Did you celebrate VE day several times in different years or just once?
5. Did you celebrate at home or anywhere special? Did you see the queen on the balcony?
6. Did you lose anyone close to you in the War?
7. What do you remember most about VE Day?
8. What role did you have in the War?

# Year 6 VE Day Talk

9. Before the war, what were you planning to be?
10. What was going through your head when you were in the plane?
11. Was there ever a point where you thought you were definitely going to die?
12. Did you ever feel guilty when dropping bombs?
13. Did you fight in the Battle of Britain?
14. What plane did you fly in? What was your favourite plane to fly?
15. Were you scared when you went on the plane for the first time?
16. What did you do when you weren't fighting, to keep yourself entertained?
17. Were you part of d-day?
18. Why did you join the RAF?
19. How did it feel fighting in a war?
20. On average, how many planes were in the sky at once; including enemy plane?
21. What was life like after VE Day?
22. What did you eat?
23. How did you realise the war was over?
24. What was the scariest moment that happened to you in the war?
25. What medals did you get?
26. Did you have a nickname at war?
27. Did you stop flying after the war?
28. Do you have any stories you would like to share?
29. Do you have any pictures we could see?
