

# Royal Russell

## BOARDERS TRIPS AND WEEKEND ACTIVITIES

At Royal Russell, our Boarders enjoy a wide variety of trips and activities, designed to offer a range of entertaining and educational opportunities.

Our close proximity to the attractions in London, including the Tower of London, Buckingham Palace, art galleries and museums, means that our Boarders can experience all that London has to offer.

Students who enjoy more challenge can participate in climbing, horse riding and go-karting, as well as the many sporting activities held on our estate.

We also run regular trips to the cinema and local shops for our Boarders' enjoyment.
