iPads

- Pupils will be issued with an iPad and charger when they join us on Tuesday 8th September.
- The expectation is that their iPad will be charged every evening at home so that they arrive to school with it fully charged and ready for their lessons.
- Both parents and pupils will need to sign an iPad agreement which covers what will happen if damage occurs to the iPads.
- Only school issued iPads are allowed to be used on site.
- All devices (mobile phones and smart watches) need to be locked away in their lockers during the school day.
